

Fire Safety Arrangements

New College have nominated the Home Bursar to take responsibility for coordinating fire and emergency arrangements and for the regular review of our Fire Risk Assessment.

New College have appointed a competent person to identify fire risks, potential emergency situations and people who may be affected.

New College have completed action on all the issues raised in that assessment. The assessment remains current.

New College have provided firefighting equipment, emergency lighting, emergency signage, and adequate means of escape and evacuation procedures in accordance with our Fire Risk Assessment.

New College review procedures and precautions every year and make sure that the Fire Risk Assessment remains valid.

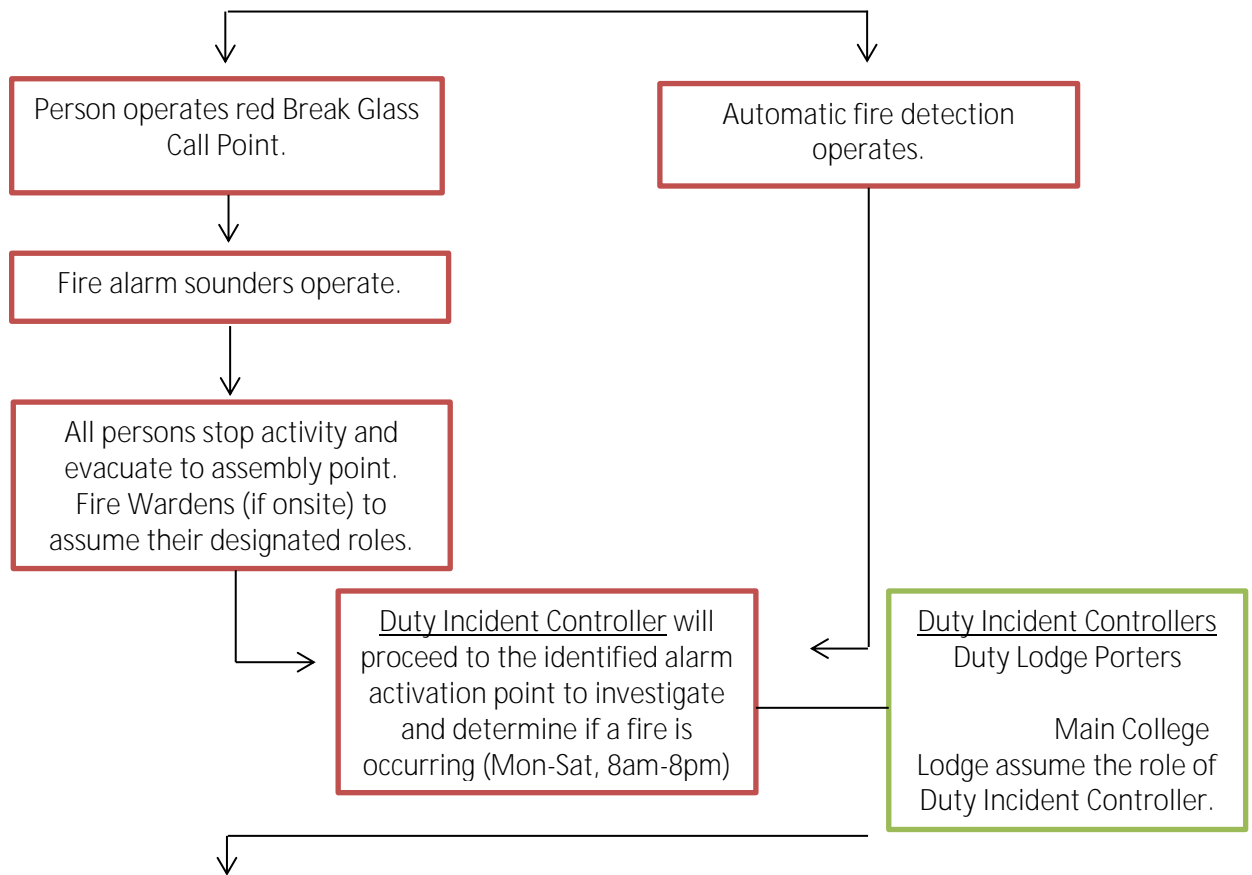

Employees and residents receive instruction in fire safety procedures as part of their induction. Fire drills are held regularly.

Details of the action New College take to maintain fire safety equipment, arrangements and procedures are kept in the Fire Safety Logbook.

Where a person may have difficulty in using the ordinary means of escape, either permanently or temporarily, a personal emergency evacuation plan is developed with their input and communicated to fire wardens and those that need to know. Any persons required to assist in their evacuation receive suitable training.
