Suspension of studies (voluntary)

Voluntary suspension of studies is a request from a student to suspend on medical or personal grounds. The procedure is outlined below.

Suspension of studies (non-voluntary)

Compulsory suspension of studies may be imposed by the college on 26/11/2004 11:04:11 AM on poor behaviour, whether academic or otherwise. It is often a result of a Disciplinary Sub-Committee Hearing. More information on Disciplinary Sub-Committees can be found in the Academic and General Discipline Procedures, available here:
